#### **City to Host Second Open House for Oneonta Comprehensive Plan Update**

ONEONTA, NY. – The City is set to unveil the draft vision, goals and recommendations for the Oneonta Comprehensive Plan Update at an open house on Wednesday, November 14th from 3:00 pm to 7:30 pm. The open house will be held at the Oneonta High School cafeteria, located at 130 East Street. This event will build on feedback and information gathered during the first open house held in January 2018.

The open house format is designed so people can stop by and spend as little or as much time as they want visiting a series of interactive stations that will be set up throughout the cafeteria. Participants will be encouraged to use stickers, markers, and Post-it Notes to provide feedback on the proposed vision, goals, and recommendations. If they would like to have a discussion about a particular topic, concern, or idea, representatives from the Comprehensive Plan Steering Committee and Elan Planning and Design will be circulating throughout the room.

Mayor Gary Herzig states, “Our Comprehensive Plan will serve as a guide through a time of transition. To be meaningful, it should reflect the desires of those who live and work here. Your input is valued and important.”

For those unable to attend the Open House, an opportunity to provide feedback will be available via the project website: [www.opportunityoneonta.com](http://www.opportunityoneonta.com).
